Dear Sir:

Re: Contract HF-CT-697

Our recent receipt of the Approved Price Exhibit for Production List 60-11 to the above contract has called attention to the fact that we have not received an Approved Price Exhibit for Production List 60-8.

This Exhibit 60-8 was submitted for approval on 29 October 1959. Both Exhibits 60-10 and 60-11 were submitted after this date and have been approved and returned to us.

A copy of Exhibit 60-8 is attached for reference.

Yours very truly,
